

HOW CAN I LEARN MORE ABOUT GOD?

SAY THIS VERSE:

PSALM 55:17... "EVENING, AND MORNING, AND AT NOON, WILL I PRAY, AND CRY ALOUD: AND HE SHALL HEAR MY VOICE."

THE BIBLE IS ALSO CALLED "GOD'S WORD" BECAUSE IT WAS WRITTEN BY GOD HIMSELF.

A long, long time ago, God wrote a book called the Bible. God wrote the Bible so the whole world could learn more about Him. That's what we have been doing, isn't it? We learned all about Jonah and the great BIG fish, and about Philip and the Ethiopian man who was so happy to obey God and get baptized after he was saved. Well, there are even more stories in the Bible that tell us about people who served God with their whole lives, and even some stories that

tell us about people who did not serve God and had very sad lives. But, do you know what? There is so much more to learn about God – and you can learn it by reading the Bible!

God wrote His Word especially for us to know all about Him and the wonderful world He has given us. There are all kinds of amazing things you can learn about the world around you and about yourself by reading God's Word. The Bible tells us about how God created everything, and that without God nothing would exist.

THE VERY BEST PART ABOUT THE BIBLE IS THAT NOTHING IS MAKE BELIEVE – IT IS ALL TRUE!

God wants you to read His Word. It is how He can tell you just how much He loves you and what He has done for you. It also answers questions about life that only God knows the answers to. When you read your Bible every day, you will learn more and more about God and what He wants you to do, and you will grow to be a strong Christian! If you will read God's Word and study it, it will be easier for you to do right things and harder for you to do wrong things.

SO, IF THE BIBLE IS GOD'S WAY OF TALKING TO YOU... DO YOU WANT TO KNOW HOW YOU CAN TALK TO GOD? PRAY! THE BIBLE TELLS US THAT GOD LOVES TO HEAR THE PRAYERS OF HIS CHILDREN.

A long time ago, there was a king named David who loved to talk to God. Just like our memory verse says, David loved to talk to God in the evening, and in the morning, and in the afternoon. God wants you to talk to Him like David did, too. He wants to hear your prayers all through the day!

But, what do you talk to God about when you pray? Well, are you thankful that Jesus loves you, and do you love Him back? If you do, you should tell Him! Are you happy that God is making a home for you in Heaven with Him? Are you thankful that He made such a beautiful world for us to live in? You can tell God all of the things you are thankful for when you talk to Him. This is called praising God... and we should spend time praising Him every day for all of the good things He has done for us!

Another thing you should talk to God about is when you make mistakes. If you don't ask God to forgive you when you do something wrong, and you keep doing bad things, SIN will start pushing you away from God, and it makes it very hard for God to answer your prayers. That is why it is so important for you to tell God that you are sorry for what you did – it is how you can stay close to Him. Remember, just like the father who loved his son so much, God will always love you. But when you do something wrong, you need to pray and tell God you are sorry. Tell God what you did and ask Him to forgive you and to help you not to do it anymore.

When you or someone you love is sick, you can pray and ask Him to help them feel better. If you are feeling sad, tell God all about it, and He will listen to you every time. When you have a need, ask God for His help. He will not always do

exactly what you ask Him to, but He will always listen to you, and He will always do what is best for you, because He loves you.

So, remember to thank God, to tell Him when you do wrong, and to ask God to help you when you have a

need. Your prayers don't have to be long – they should just come from your heart. You can pray lots of prayers all through the day, and God will listen to you every

time. God is never too busy to listen to you, and you should never be too busy to listen to Him, either – so, remember to read your Bible every day! The more you read your Bible and pray, the more you will learn about God!
